GREAT  
YARMOUTH**

There's something grand on the horizon for Great Yarmouth as we've become awashed with 'levelling up' in the town and a surge of enthusiastic energy.

Through the long months of national lockdown, it has been encouraging to see such a tremendous amount of value given to the outdoor space. Throughout 2020 we've been sharing the love of the outdoors, maintaining momentum in our outdoor arts and circus sector.

It's been a key point for us to emphasise as the events of 2020 unfolded, the outdoor arts sector in the UK and the developing creative artistic hub in Great Yarmouth must continue its upwards trajectory. Throughout 2020, we have offered numerous opportunities for artists to maintain their work and to ensure there are new shows once outdoor art events return to our streets. From writers' grants, to residencies and honouring commitments from the cancelled festival, this work culminates into this 2021 festival lineup.

Alongside this work comes an enthusiastic energy as mentioned. A time to reset, rethink the outdoors and to take ownership of what we all have in common. This new grassroots vigour is expressed in the new 'Extremities' zone which debuts this year. A festival within a festival aimed to reflect the rich and diverse community of the town with a programme of high-energy acrobatics and dance shows.

We hope you enjoy the 13th Out There International Festival of Circus & Street Arts, with over 44 artists, from 9 countries, of which 28 shows are brand new for 2021 and with nearly over half co-commissioned by Out There Arts, this year is looking like a doozy!

# HOW TO USE THIS PROGRAMME

Times are certainly uncertain. This is why the brochure looks a little different this year. It might look like there are no timings. That's because things were a little more fluid at the time of print. Fear not, we've given the adventure over to you, allowing you to create your schedule, your way.

Pick up a schedule sheet from one of festival information points, consult a festival map point, or the website and see the show times.

Jot the time in your programme.

Create your own clashfinder schedule. (see p32-33)

## KEY

Performances take place around the town in alphabetised zones and on numbered pitches. Their locations are shown on the site plan on p34. Most shows are family friendly, but some may contain content unsuitable for a younger audience where we will provide age guidance or advisories.

Shows particularly suitable for young children.

All our shows are friendly for D/deaf. Dialogue heavy shows will have a BSL interpreter present.

# BEYOND OUT THERE

Our ambition is to build Great Yarmouth as a UK circus capital, supporting artists to develop their work here and bringing great entertainment and opportunities to local people.

Much of this work now focuses around The Drill House, Out There Arts' venue, and the creative engine room of the festival. Check out what else we've in store over the coming months...
