GREAT YARMOUTH'S GOLDEN MILE

Buzzing, fast, fun and bright - Great Yarmouth's Golden Mile has got it all going on.

Attraction and activity-packed piers, the rides of the renowned Pleasure Beach, the world-famous Hippodrome Circus, arcades, crazy golf and the new Marina Centre make Great Yarmouth's Golden Mile the place to be.

From day to night, when the pretty decorative lighting illuminates the fun-filled stretch, there is something for everyone.

To travel the seafront, Great Yarmouth's famous horse-drawn landaus give you a chance to rest tired legs. Children will love the seafront train and getting to know the donkeys for a traditional seaside donkey ride.

Activities range from adventure golf, a ride on the big wheel for views stretching for miles, the renowned Merrivale Model Village where world-famous Banksy left his mark and Sea Life Great Yarmouth and a cinema.

Nestled among the arcades and attractions is the new landmark Marina Centre, opened in 2023, with its swimming pool, gym and café, the spectacular circular Hippodrome Circus, the last remaining Victorian circus in the country, ten-pin bowling, fairground rides, gardens, restaurants, tearooms, pubs and so much more.

And always remember to look up when making your way along the Golden Mile - there's always a surprise of unusual architecture on the mix of multistorey buildings.

North of the Britannia Pier lies the restored Venetian Waterways, a beautiful peaceful haven to stroll through its imaginatively planted ornamental gardens, beside its 'canals' exploring its islands, and perhaps take out a boat on its boating lake before a hot chocolate at its café and watch the world go by. It is a renovation of the original 1928 waterways and its boating lake is the last of its kind in the region and a popular haven for ducks and heron.

HEMSBY & NEWPORT

Just seven miles north of Great Yarmouth, separated by stretches of sandy beach lies the linked village resorts of Hemsby & Newport, packed with activities day and night.

A buzzing self-contained resort, where the whole family can enjoy go-karting, amusements, crazy and mini golf, family fun parks, bars and restaurants.

In the summertime, just on the outskirts of the resort, look out for the incredible maize maze and lose yourself in the myriads of twists and turns.

Like Great Yarmouth, the sky over the beach comes alive with spectacular fireworks every week throughout the summer.

GORLESTON -ON-SEA

Rated the UK's best beach on Tripadvisor in 2023, and the setting for scenes in the film Yesterday, Gorleston is a fabulous destination just south of Great Yarmouth.

Head to Gorleston Cliffs for a view that will take your breath away of the stunning bay with the wide, sandy beach, which delivers all year round for walks, soaking up the sun, building sandcastles or a crisp winter walk.

Its model yacht pond and children's splashpad, shops, cafes, amusements and amenity area, puts everything you need close by.

It's also renowned for windsurfing, surfing and body-boarding.

Take a stroll through the cliff gardens and a grand promenade with pitch & putt, a play area for children and beautiful gardens.

By the harbour, is the pier where you can watch boats serving wind farms off the coast coming in and out where once vessels from the herring fleet would sail.

There's also an Edwardian theatre with shows throughout the year and the historic Ocean Room where shows, events, and dancing occurs.

Take a short walk from the beach and end up in Gorleston's bustling high street, a hive of independent shops and household names, cafes, restaurants and pubs. Gorleston, a real hidden gem, perfect for you to stay and explore.

WINTERTON -ON-SEA

The pretty ancient fishing village of Winterton-On-Sea nine miles north of Great Yarmouth is a real treasure to visit.

Its sandy beach backed by dunes and paths through rambling marrams grass makes it hugely popular with dog walkers and families – as well as its all-round well-earned reputation for being especially canine-friendly.

Sandwiched between the sea and the Norfolk Broads, it is a beautifully unspoilt village with traditional brick and flint cottages, quirky little shops, tearooms and a 300-year-old pub, Fishermans Return.

Winterton Dunes is a designated site of special scientific interest and a National Nature Reserve of 109 hectares, which is home to rare flora and fauna, including rare little terns that nest on the beach.

Seals popping up their heads in the sea or venturing on to the beach are familiar sights in the summer. In the winter breeding season, you can view seals and their pups from afar.

THE VILLAGES

There are surprises around every corner in the villages around Great Yarmouth.

Highlights include Filby, famous for its tremendous summer annual floral display, Filby in Bloom, and its wins of the village category of Britain in Bloom.

The community is so committed to its colourful reputation, it keeps an all-year-round display to delight visitors.

Rowing boats accessible to wheelchair users can be hired. Fishing platforms are also available suitable for wheelchair users.

At Burgh Castle, you'll find one of the best preserved Roman monuments in Britain, the late 3rd century Saxon Shore fort, built as part of the Roman network of coastal defences.

Three stone walls survive, around which a wildlife haven has developed, offering panoramic views over Breydon Water.

If you're looking for a quiet stretch of beach for a long walk, Scratby, below low sandy cliffs, is perfect, stretching for miles in both directions – to Caister-on-Sea, or even Great Yarmouth south, or Hemsby Beach, and on to Winterton Dunes National Nature Reserve to the north.

Popular for fishing and swimming, dogs are allowed at Scratby all year round. Surfers love the beach in winter for its decent waves.

Another highlight is the Ormesby area.

Ormesby St Michael is a tiny village at the furthest edge of the unique Trinity Broads, situated between Ormesby Broad to the north and Ormesby Little Broad to the south, both part of the Trinity Broads.

The Trinity Broads are a series of five land-locked Broads around the villages of Filby, Rollesby and Ormesby.

They remain virtually undisturbed because their only link to the main river is a shallow, unnavigable tributary of the River Bure called Muck Fleet, so they were designated a Site of Special Scientific Interest in 1998.

The Site of Special Scientific Interest's are areas rich in birdlife and natural beauty. Carefully regulated sailing, boating and fishing are allowed, respecting the natural environment.

Ormesby St. Margaret is built around two large village greens and has a medieval church.

Martham is one of the most northerly villages in the borough, which has several examples of fine Georgian houses, a large village green and duck pond with a lovely selection of local shops, pubs and restaurants.

Nearby is Martham Broad with a 140-acre nature reserve, which is well worth exploring.

Caister-on-Sea, is another old fishing village seaside resort and now busy holiday destination.

Caister's history also dates back to Roman times with a fort built around AD 200 as a base for a unit of the Roman army and navy.

The name 'Caister' derives from the Anglo-Saxon word 'ceaster' meaning 'Roman fort'. Caister has a rich offshore lifeboat history dating back to 1791 and operates an independent lifeboat today.

On the banks of the River Waveney, St Olaves is a great place for hiring boats to explore the beautiful Broads. The remains of a 13th-century Augustinian priory, St. Olaves Priory, include parts of the refectory, cloisters, and the priory mill.

South of Gorleston-on-Sea lies Hopton-on-Sea, home to a range of holiday parks and accommodation. An established holiday centre, there are many places to stay, visitor amenities, places to eat, drink and play. Its sandy beach stretches down the coast towards Suffolk, running alongside low grassy cliffs.

Potters Resort, awarded Five Star Holiday Village status with VisitEngland for multiple years, was the first permanent mixed use holiday centre in the UK back in 1920. It has continued to build its premier reputation and is home to the World Indoor Bowls Championship held every January.

DAYS OUT

More than 60 attractions delivering family fun for every generation all day, every day, is why people return year after year.

A rich variety of activities offers more than enough to keep everyone busy and entertained.

If you are an animal lover head to Thrigby Hall Wildlife Park to get up close and personal with some tigers, red pandas, crocodiles and reptiles, while enjoy the marine life and sea creatures at Sea Life Great Yarmouth.

Or if thrill seeking is your thing, enjoy a high-octane day of white-knuckle rides at the Golden Mile's Pleasure Beach.

If you fancy action packed, it's all on your doorstep, with theme and fun parks and a day at the races at the world-renowned Great Yarmouth Racecourse where you can watch leading jockeys and horses thundering past.

AFTER DARK

The fun carries on when the sun goes down. Night life is bright, varied and lively, encouraging visitors to let their hair down and enjoy the most of their holiday break, exploring the sights, sounds and tastes of everything there is to offer.

There's live music, live theatre, clubs, restaurants and a host of pubs to enjoy.

If you fancy an evening out at the circus, head to the Hippodrome, where the purpose-built ring fills with water for synchronised swimmers and dancers to perform beneath dare devil trapeze artists.

The Wellington Bowl at the Wellington Pier is a favourite for family with its 10-bin bowling experience with amusements, while during the summer months The Britannia Pier is the place to be to see some of the biggest names in entertainment.

The pier is undergoing an exciting renovation by its owners, while retaining the historical fabric of the landmark.

If you enjoy a night at the theatre, St George's in Great Yarmouth and The Pavilion Theatre in Gorleston have a packed programme all year round.

The Pavilion is the epitome of Edwardian architecture and was built in 1901 by the architect J.W. Cockrill.

St. George's Theatre in Great Yarmouth is another stunning historic building, originally a consecrated church, but was deconsecrated in 1950. Local arts groups have ensured its survival.

Situated within another architectural gem, watch the latest blockbuster on one of Arc Cinema's five screens in luxurious leather armchairs with generous legroom, which is situated opposite the iconic Britannia Pier.

GREAT

SUMMER FIREWORKS

A proud Great Yarmouth tradition is the weekly summer fireworks, taking place in both Great Yarmouth and Hemsby.

Cafes, restaurant and amusements are open late into the evening and each week live entertainment lines the streets of each resort before the fireworks explode into the night skies.

The displays take place in Hemsby on a Tuesday and Great Yarmouth on a Wednesday with a bus link available between each venue.

Please check our website [here](#) for any updates subject to adverse weather conditions.

BROADS & COUNTRYSIDE

If you're looking for a more tranquil holiday away from the bright lights and lively areas head to the Norfolk Broads.

The beautiful waterways always tempt visitors aplenty who enjoy navigating the rivers in sailing and motor cruisers, many passing through Great Yarmouth to the southern rivers.

From the north, boats are able to cruise along reed-lined rivers Thurne and Bure, past Martham, Thurne, Acle and Stokesby through breath-taking countryside views, with historic windmills dotted on the horizon.

If you just want a taster of the water you can hire a day boat or if you've chosen to spent a week on the Broads there are plenty of mooring spots along the water which are close to watering holes and tearooms.

Take a riverside walk and spot the wildlife and nature along the way in the natural habitats of reserves.

You can also hire canoes, kayaks and stand-up paddle boards if you want to experience a different view, or perhaps if you prefer land to water hire a bicycle or tandem to ride along the many miles of cycle path routes.

From the south, visitors can sail past St Olaves and Fritton and across to Burgh Castle at the conflux of the River Yare and the River Waveney and along to Breydon Water where the sunsets are stunning.

You can hire a day boat at St Olaves near the bridge and meander along to the Berney Arms Windmill which is only accessible by foot, train or boat.

The pretty villages of Filby, Rollesby and Ormesby surround the famous Trinity Broads, five standalone, but interlinked Broads, which are a haven for wildlife and birdlife.

There are plenty of longer walks taking in the villages and beautiful Broads views all over the area.

CULTURAL & HERITAGE GREAT YARMOUTH

Great Yarmouth's history is fascinating with incredible architecture. Medieval town walls (the second best preserved medieval town wall in England), **a Scheduled Ancient Monument - with its origins traced back to 1261 and fishing industry and events, which put the town at the heart of international trading through its port.**

There are plenty of fully immersing guided heritage walks where you can explore the history of this ancient seaside resort, fishing port and market town.

Delve into Great Yarmouth's sea heritage by visiting the Time and Tide Museum of Great Yarmouth Life.

Find out about the herring industry in a converted Victorian herring curing works and wander through a Victorian 'Row' and see inside a fisherman's home.

Transport yourself back to a 1950s quayside, steer a coastal Drifter and hear fascinating tales of wreck and rescue on the high seas.

There are regular exhibitions but you can also enjoy interactive activities, puzzles, film shows, free audio guides and a multitude of children's activities during the holiday seasons.

The National Trust's Elizabethan House Museum on South Quay is a must visit. Moored on the South Quay is one of Britain's most significant historic vessels, the 92-year-old Lydia Eva, the last surviving steam drifter of the herring fishing fleet based in Great Yarmouth.

Listed as part of the National Historic Fleet, in 2022 the Lydia Eva played a major role in the prequel film to Charlie and the Chocolate Factory. She is open to visitors at weekends between March and October.

Great Yarmouth's Medieval town wall, believed to be the second most complete medieval wall in the country, is just more than a mile long with 11 surviving towers.

Work started on the wall in 1276 and took more than a century to complete. It was more than 23 feet high and 2,280 yards long, with 10 gates and 16 towers.

Explore Great Yarmouth's historic Rows, the series of narrow condensed streets in Great Yarmouth that ran from east to west - the direction of the coastline and towards the river at South Quay and housed families in cramped dwellings. It is commonly stated that there were 145 Rows with the first mention as early as 1198.

A Roman fort at Burgh Castle is one of the best preserved Roman monuments in Britain. Built in the late 3rd century as part of the Roman network of coastal defences, three stone walls survive, almost to their original height.

EATING OUT

Eating out in the area is full of variety and you're literally spoilt for choice.

There's a diverse range of restaurants, cafes, pubs and takeaways to cater for all tastes, budgets and occasions.

Customer service is a priority and it's gold standard, whether you go for an all-day breakfast, lunch, traditional afternoon tea, Sunday roast or the best fish and chips.

If you're celebrating a special occasion, we have some outstanding restaurants in Great Yarmouth serving a wide range of cuisines from local seafood to modern contemporary British meals, whether it is a romantic meal for two, a birthday celebration or anniversary dinner.

TOWN CENTRE & SHOPPING

Great Yarmouth is a traditional market town with a permanent market in the town that received a 4.7m investment.

The large marketplace has created a new covered market to house 26 main stalls of different sizes, as well as two kiosks and spaces for pop-up traders, with extra stalls on market day on Wednesdays and Saturdays.

The famous pedestrianised shopping experience in Regent Road is just off the seafront and an enticing area for anyone looking for gifts and novelty finds.

There's a huge range of shops with gifts and souvenirs to clothes and other merchandise.

It's also home to Docwra's Rock Factory and a selection of cafes and restaurant.

Gorleston-on-Sea is nearby and has a bustling and busy high street with lots of independent retailers, just a short walk from the beach.

Between Gorleston and Great Yarmouth you will find larger stores and supermarkets and a retail park at Gapton Hall, which boasts TK Maxx, Boots, M&S Food Hall and café and Next.

There are more shops in the villages of Caister-On-Sea and Hemsby, which are just stone's throw from the holiday parks and if you're looking for fresh and homegrown produce there are plenty of greengrocers, butchers and fishmongers dotted around the borough.

Several supermarkets such as Asda and Tesco are also within easy reach.
