# WELCOME

**Welcome to the Great Yarmouth Arts Festival. It is so good having the restrictions of Covid over more than 2 years being lifted and I hope you will make the most of our varied programme. There is music, theatre, visual art, heritage, a community fair and, of course the Carnival on Saturday 9 July. This will be preceded by many workshops to make costumes, banners, musical instrument and to learn to dance and sing.**

Musically we have the well known Chorus of St. Cecilia, Elinor Hanton, Oxford Organ Scholar, the East Coast Sinfonietta and a flute and piano recital with tea/coffee and cakes. Each Sunday there will be music on Gorleston Rotary Bandstand from 2pm. Mozart: a Life in Music will be a fascinating insight into this musician genius by the acclaimed speaker, Mark Mitchels, with illustrations and musical extracts.

St. George's Theatre hosts a talent show, film and live excerpts from "Our town", "Squirrels Big Night Out, a community play "Trial by Water" and Dragons World of Musical Theatre.

"Broken Spoke" will show an eclectic mixture of music, poems, art etc. in the Drill House. For Visual Art there will be Art in the Minster from 8 to 23 July. There will be art exhibitions in the Yare Gallery, Skipplings Art Gallery and at PrimeYarc. Art on the Railings will be on two weekends in July and August, There will be a Heritage Fair in St. George's, five Heritage Walks, 2 wellbeing nature walks, a Community Fair in and around the Library and much more.

This is an opportunity for local residents and visitors to see what great talent we have here. Why not get up a party and come to some of these attractions.

We look forward to seeing you.

## ABOUT GYAF

The Arts Festival was conceived to raise money for St. Nicholas (Now called Great Yarmouth Minster) Preservation Trust and was first held in 2012. It quickly emerged that there was a tremendous enthusiasm amongst both artists and audiences to bring the various communities together in celebration of the rich arts and heritage offer of the town and in 2014 we commenced the Carnival and linked up with the Library running the Community Fair.

Over the years we wish to encourage people from the many communities that now live within the Borough to participate in the many activities which make up the Festival. We hope that you will join us on this journey and encourage people from other parts of East Anglia and the United Kingdom to come and enjoy this Festival.

You can support us by volunteering, spreading the word, or by becoming a sponsor.

The Arts Festival is a Community Interest Company run by volunteers and overseen by a board of trustees and anyone wishing to help may contact us through;
